Report on review of interim condensed consolidated financial information

The Board of Directors

Wathaq Takaful Insurance Company (K.S.C.P) and its Subsidiaries State of Kuwait

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Wathaq Takaful Insurance Company (K.S.C.P) and its Subsidiaries ("the Parent Company") and its subsidiaries (together referred to as "the Group") as at 30 June 2026 and the related interim condensed consolidated statements of profit or loss, comprehensive income, changes in equity and cash flows for the six months period then ended.

The management of the Parent Company is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of preparation disclosed in note no. (2). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity".

A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of preparation disclosed in note no. (2).

Report on review of other legal and regulatory requirements

Furthermore, based on our review, the interim condensed consolidated financial information is in agreement with the accounting records of the Parent Company. We further report that nothing has come to our attention indicating any contravention during the six months period ended 30 June 2026, of the Companies Law No. 1 of 2016 and its Executive Regulations, as amended, or of the provisions of Law No. 7 of year 2010 concerning the Capital Markets Authority, Executive Regulations and its related regulations, as amended, or of the Parent Company's Memorandum of Incorporation and Articles of Association, as amended, that would materially affect the Group's activities or its consolidated financial position.

Notes to the interim condensed consolidated financial information (Unaudited)
For the six months period ended 30 June 2026

Takaful insurance is an Islamic alternative to traditional trust and investment programs, based on the concept of mutual funds, whereby each policyholder receives his share of the surplus resulting from insurance activities in accordance with the parent company's articles of association and the approval of the Fatwa and Sharia Supervision Board.

The parent company carries out its business on behalf of the policyholders and provides funds to the policyholders' operations as and when needed.

The shareholders are responsible for the obligations incurred by the policyholders in the event of a deficit in the policyholders' funds and the liquidation of the operations.

The parent company holds all the assets of the policyholders and the shareholders' operations and the ownership documents of those assets.

These assets and liabilities as well as the results of the policyholders' operations are disclosed in the notes.

The parent company maintains separate accounting books for the policyholders and the shareholders. Revenues and expenses directly related to the activities of either are recorded in the accounts that pertain to them. The management and members of the board of directors determine the basis on which expenses from joint operations are distributed.

All insurance and investment operations are conducted in accordance with the principles of the tolerant Islamic Sharia, which are approved by the Fatwa and Sharia Supervisory Board.

The address of the Parent Company's registered office is Kuwait – Sharq - Khaled Bin Al Waleed Street - City Tower – Ground Floor.

The interim condensed consolidated financial information for the six-month period ended 30 June 2026 was authorized for issue by the Board of Directors of the Parent Company on 12 August 2026 .

The company is a subsidiary of Investment Dar Company K.S.C.C.

2. Basis of preparation

The interim condensed consolidated financial information is prepared in accordance with IAS 34 *"Interim Financial Reporting"*. The interim condensed consolidated financial information does not include all of the information and footnotes required for complete financial statements prepared in accordance with International Financial Reporting Standards. For further information, refer to the consolidated financial statements and notes thereto for the year ended 31 December 2025. In the opinion of the management all adjustments (consisting of recurring accruals) have been included in the interim condensed consolidated financial information.

14. Fair value of financial instruments

A) Valuation and assumptions applied for the purposes of measuring fair value

The following is the fair value determined for financial assets:

- The fair value of financial assets (quoted securities) with standard terms and conditions and traded in active markets is determined by reference to quoted market prices.
- The fair value of financial assets (unquoted funds) is determined based on observable current market transaction prices.
- The fair value of other financial assets (unquoted securities) is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using observable market data.

B) Fair value measurements recognised in the consolidated statement of financial position

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The financial assets and liabilities measured at fair value in the statement of financial position are grouped into the fair value hierarchy as follows:

As at 30 June 2026, the fair value of financial instruments approximates their carrying amounts. The Group's management has estimated that the fair value of its financial assets and liabilities approximates their carrying amounts largely due to the short maturity of these financial instruments.

There were no transfers between Levels 1, 2 and 3 during the period.
