**REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS**  
**TO THE BOARD OF DIRECTORS OF VALMORE HOLDING COMPANY (FORMERLY KNOWN AS**  
**EGYPT KUWAIT HOLDING COMPANY) S.A.E**

**Introduction**

We have reviewed the accompanying interim condensed consolidated statement of financial position of **Valmore Holding (Formerly known as Egypt Kuwait Holding Company) - (Egyptian Joint Stock Company) - (the “Company”)** and its subsidiaries (collectively, the “Group”) as at 30 June 2026, and the related interim condensed consolidated statements of profit or loss and other comprehensive income for the three-month and six-month periods then ended, and the interim condensed consolidated statements of changes in equity and cash flows for the six month period then ended. Management is responsible for the preparation and fair presentation of these interim condensed consolidated financial statements in accordance with International Accounting Standard No 34: Interim Financial Reporting (“IAS 34”). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our limited review.

**Scope of Limited Review**

We conducted our limited review in accordance with the International Standard on Review Engagements (2410) “Review of Interim Financial Information Performed by the Independent Auditor of the Entity”. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion on these interim condensed consolidated financial statements.

**Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements do not present fairly, in all material respects, the interim consolidated financial position of the Group as of 30 June 2026 and of its interim consolidated financial performance for the three-month and six-month periods then ended and its interim consolidated cash flows for the six month period then ended in accordance with International Accounting Standard No 34: Interim Financial Reporting (“IAS 34”).

**C. Deferred tax liabilities for undistributed dividends**

- B) For the remaining subsidiaries, the Group is able to control the timing of the reversal of the temporary differences associated with such undistributed earnings. Management currently intends to retain and reinvest these earnings within the respective subsidiaries to support their operational and investment activities and does not expect these temporary differences to reverse in the foreseeable future.
