Independent Auditor's Review Report on Interim Condensed Consolidated Financial Information

Introduction
We have reviewed the accompanying interim condensed consolidated statement of financial position of Manazel Holding Company K.P.S.C. (the "Parent Company") and its subsidiaries (together referred to as the "Group") as at 30 September 2026, and the related interim condensed consolidated statements of profit or loss, comprehensive income, changes in equity and cash flows for the nine months period then ended. The Parent Company's management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standards 34, "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of review
We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim condensed consolidated financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Emphasis of matters
Without qualifying our conclusion, we draw your attention to the following:

- As 31 December 2025, the Subsidiary "Manazel Real Estate Development Company (E.S.C)" incurred accumulated losses amounting to EGP 78,405,555 equivalent to KD 30,671,809 (Note 2), exceeding 50% of the Subsidiary's equity. This requires, pursuant to Article 69 of Egypt's Law No. 159 of 1981, the Subsidiary's Board of Directors to convene an Extraordinary General Assembly Meeting to consider dissolving the Subsidiary or continuing its operations. On 1 September 2026, the Extraordinary General Assembly Meeting of the Subsidiary's shareholders was held, during which it was resolved to continue the Subsidiary's operations and take all necessary procedures to address the effects of the accumulated losses.

- As disclosed in (Note 2), the Subsidiary "Manazel Real Estate Development Company (E.S.C)" has not obtained the ministerial approval for the "Markeet project" under "Arya" project as at the reporting date, resulting in the incompletion of certain regulatory and legal procedures related to the project.

- As disclosed in (Note 2), the Subsidiary "Manazel Real Estate Development Company (E.S.C)" faces a liquidity shortage resulting from the unsold of certain units represent in inventory related to the Subsidiary's projects, which may lead to the Subsidiary's inability to settle its current liabilities. These circumstances indicate the existence of a material uncertainty that may cast significant doubt on the Subsidiary's ability to continue as a going concern, the Subsidiary's financial information as at 30 September 2026 have been prepared on a going concern basis.

- As disclosed in (Note 14), an agreement was made on 13 July 2025 between "Landmark for Real Estate Development Company (S.A.E.)", "Wethaq Takaful Insurance - Egypt (S.A.E.)" and the subsidiary "Manazel Developments Company K.S.C (Closed)". Pursuant to this agreement, ownership of the shares held in Manazel Real Estate Development Company (E.S.C) was transferred from both Landmark for Real Estate Development Company (S.A.E.) and Wethaq Takaful Insurance - Egypt (S.A.E.) to the subsidiary "Manazel Developments Company K.S.C (Closed)" against in-kind consideration representing the ground and first floors in the "One Ninety Project" and in addition to other settlements equivalent to KD 1,372,426 representing accrued dividends.

This interim condensed consolidated financial information for the nine months period ended 30 September 2026 was approved for issuance by the Board of Directors of the Parent Company on 12 November 2026.

2. BASIS OF PREPARATION

This interim condensed consolidated financial information is presented in Kuwaiti Dinars ("KD") which is the functional and presentation currency of the Parent Company.

The interim condensed consolidated financial information has been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting". The interim condensed consolidated financial information does not include all of the information and notes required for complete annual consolidated financial statements prepared in accordance with International Financial Reporting Standards ("IFRSs") and should be read in conjunction with the Group's last annual consolidated financial statements for the financial year ended 31 December 2025. In the opinion of management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included. Operating results for the nine months period ended 30 September 2026 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2026. For further information, refer to the consolidated financial statements and notes thereto for the financial year ended 31 December 2025.

2. BASIS OF PREPARATION (CONTINUED)

Manazel Real Estate Development Company (the "Subsidiary") incurred accumulated losses amounting to EGP 78,405,555 equivalent to KD 30,671,809 as at 31 December 2025, exceeding 50% of the Subsidiary's equity. Pursuant to Article 69 of Egypt's Law No. 159 of 1981, if the losses of a company reach half of its equity, the Board of Directors of the Subsidiary is required to convene an Extraordinary General Assembly Meeting to consider dissolving the Subsidiary or continuing its operations. On 1 September 2026, the Extraordinary General Assembly Meeting of the Subsidiary's shareholders was held, during which it was resolved to continue the Subsidiary's operations and take all necessary procedures to address the effects of the accumulated losses.

Manazel Real Estate Development Company (the "Subsidiary") has not obtained the ministerial approval related to the "Markeet" project under the "Arya" project as at the date of reporting date, resulting in the incompletion of certain regulatory and legal procedures associated with the project.

Manazel Real Estate Development Company (the "Subsidiary") faces a liquidity shortage resulting from unsold of certain units in the Subsidiary's projects, which may lead to the Subsidiary's inability to settle its current liabilities. These circumstances indicate the existence of a material uncertainty that may cast significant doubt on the Subsidiary's ability to continue as a going concern. 19. FAIR VALUE MEASUREMENT

The fair value represents the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Levels 1 to 3 based on the degree to which the fair value is observable.

- Level 1 fair value measurements are those derived from quoted prices (unadjusted) in active markets for identical financial assets.
- Level 2 fair value measurements are those derived from inputs other than quoted prices included within Level 1 that are observable for the asset, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 fair value measurements are those derived from valuation techniques that include inputs for the asset that are not based on observable market data (unobservable inputs).

The level within which the financial assets are classified is determined based on the lowest level of significant input to the fair value measurement.

The financial assets measured at fair value in the interim condensed consolidated statement of financial position / consolidated statement of financial position are grouped into the fair value hierarchy as follows:
